6 Because opinions differ, there may be questions concerning some instructional materials despite
7 the quality of the selection process. If a complaint is made, the following procedure is to be
8 followed:

9

- 10 1. Inform complainant of the selection procedures and make no commitments.
- 11
- 12 2. Request the complainant to submit a formal "Request for Reconsideration of Instructional
13 Materials."
- 14
- 15 3. Inform the principal (and other appropriate personnel).
- 16
- 17 4. Keep challenged materials available for use during the reconsideration process.
- 18
- 19 5. Upon receipt of the completed form, the principal requests review of the challenged
20 materials by an ad hoc materials review committee within fifteen (15) working days, and
21 notifies the appropriate supervisor and director of schools that such review is being done.
22 The review committee is appointed by the principal, and includes certificated library
23 media personnel, representatives from classroom teachers, one or more parents, and may
24 include one or more students.
- 25
- 26 6. The review committee shall take the following steps after receiving the challenged
27 materials:
 - 28 a. Read, view or listen to the material in its entirety;
 - 29 b. Check general acceptance of the material by reading recognized and evaluative
30 reviews;
 - 31 c. Determine the extent to which the material supports the curriculum;
 - 32 d. Complete the appropriate "Checklist for Reconsideration of Instructional
33 Materials," judging the material for its strength and value; and
 - 34 e. Present recommendation to principal for further action and to the director of
35 schools for purposes of information.
- 36
- 37
- 38 7. If the complainant desires further action after receiving the recommendation of the
39 committee and the decision of the principal, an appeal may be made to the Board.
